- Middle School Attendance Boundaries
- New students moving into this area will be assigned to attend CF Tigard Elementary School.
- High School Attendance Boundaries

### Transfers / School Choice

The Tigard-Tualatin School District has established attendance boundaries to balance classroom enrollments between schools. The district also offers a very limited in-district transfer or school choice program. Several schools are closed to new transfer or choice students and others have only a very few openings. Parents who are considering transferring their student to a school in a different attendance area should call the district office (503) 431-4002 to find out the guidelines.
