

Scrip is here

by Benefit Mobile, Inc.

Benefit Mobile is a 2-part program:

- Digital Gift Cards for iPhone/Android with the free App (linked to a bank account or credit card).
Physical Gift Cards using an order form (with traditional payment of check or cash).
- Some retailers are available only on the App and some are only available with the physical cards, but many are both.

About the App:

Digital gift cards. Easy and Effective.

Download the free App with iPhone or Android. Choose Tualatin High as your beneficiary, campaign TSO and then enter the participating scrip profit category to designate funds to. Link your bank account or credit card to the app. It will take a day or two to be verified before you can make purchases in the app. Please note, credit cards receive a lower percentage back.

The Benefit app makes it easy to contribute to TuHS TSO and the participating scrip profit categories. Simply pay with the app online or in-store at your favorite retailers as you shop, and we receive up to 20% of the purchase price! Many nationwide retailers available.

Physical Gift Cards now available to order:

First order date of the year is on Monday, November 4, due by 10am to the bookkeeper with traditional payment of check or cash. Receive order back on Thursday afternoon.

Required by Benefit Mobile: a total school order of \$1000 minimum order. If by chance, our school order does not reach the \$1000 minimum order, you will be notified by TuHS' Scrip Coordinator and your order can be held to the next order date.

What is Benefit?

BY BENEFIT MOBILE, INC. / 2 YEARS AGO

Benefit is a mobile platform that enables charitable organizations to raise funds fast with minimal effort and enables users to support the causes they care most about with every purchase, without spending an extra penny. Funds raised are made by using the FREE Benefit app for everyday shopping in-store or online at over 170 of the nation's top retailers. Every purchase results in funds raised to the non-profit the user chooses to support. Benefit users don't spend a penny more for the shopping they already do and support their favorite cause with every transaction. Payment is fast, easy, and, most importantly, completely secure. Next time you are shopping online or in-store, use the Benefit app to check out and #paywithpurpose!
