

Parent Night Invitation  
Grades 6-12 Math Curriculum  
Model Lesson

**May 16th**

**5:30-6:20 p.m. Middle School Math**

**6:30-7:20 p.m. High School Math**

**Hibbard Administration Boardroom**

[6960 S.W. Sandburg St., Tigard, OR 97223](#)

For the last year and a half, our TTSD Secondary Math Curriculum Renewal and Adoption Committee has been working on a recommendation for updating the district's grade 6-12 Mathematics materials. Recently, the Middle School Curriculum Renewal/Adoption committee, agreed to recommend adopting the EdGems Math curriculum for students in grades 6 through 8. Our High School Curriculum Renewal/Adoption committee recommended MVP (Math Vision Project) for grades 9-12th Algebra, Geometry and Algebra II.

To give parents the opportunity to preview these materials before the recommendation goes to the school board, a Parent Model Lesson Night has been set for Thursday, May 16th from 5:30-7:30 p.m. in the Hibbard Administration Boardroom. See times below.

Middle School Parent Model Lesson is from 5:30-6:20 p.m.

High School Parent Model Lesson is from 6:30-7:20 p.m.

The evening will give parents the opportunity to experience what their students would learn using these materials/resources and how instruction is to be delivered to engage your child at high levels.

\*The recommended materials will also be on display at each of the district's middle schools, high schools, and at District Office from May 9th-17th.
