

# Robotics Bootcamp for Girls\*

July 15-19, 2019

PCC Rock Creek

**Our weeklong summer robotics bootcamp will give you the experience and community you need to thrive in robotics!**

**Are you in FIRST robotics? Want to level up your tech skills?**

This is the camp for you. You'll learn everything you've ever wanted to know through hands-on activities so you can take on more technical roles! You'll also be part of an awesome supportive community from across the Portland area.

---

**Are you in FIRST robotics and wish there were more girls?**

Help us get the word out to girls who might be interested in joining a robotics team! No experience required.

Space is limited to the first 50 girls, so sign up ASAP!

Cost: \$150 + scholarships are available (breakfast and lunch provided)
