

What?:

Wear brightly colored, mismatched socks to school
for
World Down Syndrome Day

When?:

Tuesday, March 21

Why?:

Every year on March 21, people all around the world come together to celebrate World Down Syndrome Day by wearing brightly colored, mismatched socks. March 21 is symbolic because people with Down syndrome have 3 copies of their 21st chromosome. Socks were chosen because the karyotype of Ds chromosomes actually looks like mismatched socks!
