

TTSD May/June Menu

All lunches include fresh and local fruit, vegetables, fat free and 1% milk. We offer a vegetarian option daily that is not menu-ed because of supply chain constraints. Our kitchen heroes are creative and come up with vegetarian options that include hummus plate, fruit parfaits, crudité bites, garden salads, and other fun options. Our meals are made with love and infused with joy. We are delighted to have your students dine with us and thank you for giving us the opportunity to serve your sweet ones.

Due to the current COVID-related supply chain challenges including staffing shortages and delivery cancellations, **menu is subject to change** based on what we are able to obtain from our vendors. We suggest sending your student a packed meal just in case they decide they do not want to eat the meal that day. You can always save your packed lunch for the following day if your student decides to dine with us! We are so sorry for the inconvenience and thank you for understanding. We are in this together.
