## Mary Woodward Elementary Parent Information Form for Student Placement 2020-21

Dear Parent(s):

This form is intended to gather information you may want to share about your child's needs. Many factors go into student classroom assignments. Our first priority is to create classrooms that are "balanced" in the following ways: gender, academic levels, behavioral, social and emotional needs, student relationships, parental input, with a balance in teacher input, and teaching style. The final decision on placement will be made by the team (teachers, principal, counselor, specialists).

Please remember that enrollment fluctuations and budget changes may necessitate adjustments in class size and possibly teacher assignments. Because of these and other issues, **we ask that parents not request a specific teacher, but rather a description of the classroom environment that you think will meet your child's needs.**

We do recognize and value parents' unique perspectives and will make these a part of our consideration. If you choose to complete this form, ***please do one for each child.*** This information will be shared with staff. *Please keep in mind that completing this form does not guarantee a certain teacher for your child.*

**Classroom placement forms need to be emailed to [ldarr@ttsd.k12.or.us](mailto:ldarr@ttsd.k12.or.us) by Friday, May 29. This date is firm.**
