HPOG is a study funded by the federal government which is being conducted to determine how these training opportunities help people improve their skills and find better jobs. During the study, all new eligible applicants will be selected by lottery to participate in these training opportunities. Not all eligible applicants will be selected to participate in these opportunities.

Health Careers NW may have opportunities for you!

Health Care opportunities in nursing assistant, peer support, medical records and patient access are increasing in the Portland metro area. To learn how you can find a pathway to an interesting, satisfying job, attend a virtual Health Careers NW info session on Zoom. Contact Amy Arvin for Zoom link.

Health Careers NW offers participants the opportunity to:

- Explore career opportunities in healthcare
- Complete healthcare training
- Participate in workshops and job search activities through WorkSource
- Get job placement assistance
- Work with a career coach who will support you through the entire process
