

Senior Portraits due by Nov. 30

Help us showcase your accomplishments by publishing your senior portrait in the yearbook!

We are ONLY accepting pictures turned in by email: thspublications@gmail.com. If this poses any kind of difficulty, please come see Ms. Harris in room S206 so that we can problem-solve and make sure your picture appears in the yearbook.

PLEASE NOTE: We can only accept photo attachments that are saved in the JPEG or JPG format. Please check before sending the photo.

When sending us the email:

- Please title the email **Senior Portrait Submission for student last name, first name**.
- Please also name the jpeg/jpg attachments **lastname.firstname**

The yearbook staff will send out confirmation emails as we receive the portraits.

We will create a list of students who have submitted their photos after Nov. 30 (and before winter break). Please check with the front office if you would like to verify if your student's picture has been received.

We will also begin contacting you by email if we see that your student has not yet submitted a photo at that time.

Questions? Send us an email at thspublications@ttsd.k12.or.us. Adviser Erin Harris is also available to answer questions at eharris1@ttsd.k12.or.us. You can leave a message at 503-431-5491.

Thanks for your support of our yearbook program and your seniors!
